& MORE!

## Vehicle Logistics:

**Parking:** Street parking is abundant in the area surrounding the festival, but a lot will be available at 5000 Lakeside Avenue (just around the corner from our 53rd Street entrance) for \$5 (\$6 credit card). We highly recommend carpooling!

Parking is always at the attendee's own risk and Ingenuity is not responsible for any loss, theft, or damage. The lot is locked 30 minutes after the festival closes each night.

**Public Transportation/Ridesharing:** Consider taking public transportation to IngenuityFest! IngenuityLabs is easily accessible by the RTA #1 Route. Using rideshare? The designated rideshare dropoff address is 1279 E. 53rd Street.

**Live Nearby? Bike to the Fest!** Bike parking will be available at both entrance gates. Remember to bring your own lock and park at your own risk!

## Accessibility:

For individuals with disabilities arriving by shuttle, taxi, rideshare, accessible transport van or private vehicle, a reserved drop-off zone will be located near the Volunteer Check-in on Hamilton Avenue (at 5401 Hamilton Ave).

Accessible parking spaces will also be reserved in the Volunteer/Vendor/VIP lot, directly across from the 5401 Hamilton Avenue address.

We are continually making accessibility improvements to our site, including providing elevator service to the 2nd, 3rd, and 4th floors, addressing challenging areas of asphalt and providing numerous accessible restrooms on the ground level. However, our site still contains areas of uneven terrain including gravel, stairs, and some passageways or art installations that may be narrower or challenging to access. We will make every attempt to accommodate you.

For more accessibility information or questions about access, please email [info@ingenuitycleveland.org](mailto:info@ingenuitycleveland.org).

For assistance on-site, please call (216) 589-9444 and press 1.

## Sustainability:

IngenuityFest strives for a low-waste event!

You can help make IngenuityFest environmentally friendly by avoiding single-use plastic like water bottles and straws. There will be many water filling stations, so attendees are encouraged to bring their reusable water bottles. You will see bins for compost, recycling, and landfill throughout the event site. Most food service products are compostable and can be disposed of in the green bins, as well as paper towels. Cups from the bars are recyclable and can be disposed of in the blue bins. Please pay attention to signs over the bins, talk to volunteers and be mindful when disposing.

## Info & Merch:

Located centrally at the North end of IngenuityLabs across from the Tesseract Stage, equidistant from Marquette Street/Mechanique Biotique and IndusTree Alley.

If you pre-purchased drink tickets and/or t-shirts, they can be redeemed here.

## Medical:

Medical Tent by MetroHealth located at the center of event site in IndusTree Alley. EMS pickup at E. 53rd. Street gate.

## Restrooms:

All event restrooms are portable units, located in the outdoor lots in IndusTree Alley, and Mechanique Biotique. Plenty of ADA Accessible units will be available.

## ATMs:

Located at the Main Bar in IngenuityLabs and on the 2nd floor in the Crystal Palace. All bars and gates take cash and credit cards.

## Food:

In 2024, IngenuityFest will have more food vendors than ever before with a wide variety of offering to satisfy your cravings! If you have dietary restrictions or allergies, please inquire with the individual food vendors.

ingenuityfest2024

ERA of ASCENT 

### Other Important Information:

**Children:** IngenuityFest is a family-friendly event, and children are encouraged to attend. Children 12 and under are given free admission to the festival. Parents should be aware that after 9pm, The Ingenuity Cabaret features adult-oriented content such as comedy and burlesque, and is restricted to 18+.

**Animals:** IngenuityFest is **NOT** pet-friendly, *with the exception of service animals*. Kindly leave your furry friends at home. The festival take place primarily indoors and can become loud, crowded, and uncomfortable for pets and the people around them.

**What to Wear:** Our event site is a former industrial facility that does include areas of rough surfaces, uneven flooring, areas of low lighting and other potential hazards, and we have made every effort to identify and address areas of concern. The warehouse, which has been an active workspace for more than 100 years, also maintains its "Cleveland Grit" and can be inherently a bit dirty. We recommend visitors wear sturdy footwear and dress in layers, as the building can be very hot or chilly depending on the weather!

**Please Note:** IngenuityFest is a Big Loud Dirty Messy Space for Exploration! Please be aware that IngenuityFest is held in a building over 100-years old with uneven floors, narrow stairs, and other aspects that require Attendee to use caution. Each person who enters the property during IngenuityFest ("Attendee") by such entrance agrees, recognizes, and acknowledges that by attending IngenuityFest 2024, he or she may be engaging in activities that involve risk of serious injury, illness, or other loss. Attendee voluntarily assumes all risks in attending the event, whether occurring before, during or after the event, and releases and holds harmless Ingenuity and/or the owner of the venue, and their respective agents from all related claims.

Attendee grants permission to utilize the holder's image or likeness in connection with any photograph, video or other recording means for transmission, broadcast or promotional use on any media. Smile!

For any other questions or concerns, please reach out to [info@ingenuitycleveland.org](mailto:info@ingenuitycleveland.org) or call (216) 589-9444.
